The G.P.A.'s and letter grades herein are grades calculated by LaBrae, and not ODE, for all grades earned. All grades were averaged based on the letter grades and the standard point value stated herein. Based on the averaging of all letter grades, an overall G.P.A. and an overall letter grade was calculated for each school in Trumbull County. Please note, that this methodology is not scientific and does not take into account the variables that impact achievement in each Trumbull County district/community, and is merely provided for the sake of a simple comparison.
