LaBrae Middle Schools February News

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

The biggest event for the month of February is parent-teacher conferences. Conferences will be held on February 16th from 2:00 p.m.—9:00 p.m. This is the last designated P-T conference day for the school year. Every parent needs to make an appointment regardless of the student's standing. I have started calling students down to the auditorium by grade level that are in danger of failing. In nearly every case of retention, it's due to a student who has poor attendance and refuses to complete assignments. If the parent is not involved, chances are the student isn't either. I know everyone has a phone, why not use it to make an appointment now?

This years state testing window opens for ELA on March 13th and closes on April 14th. The math/science/social studies window opens on April 3rd and closes on May 12th. There are strict guidelines set by the state so that testing is completed during these windows and in consecutive days. I will send home a testing schedule with students next month and include a copy in next month's newsletter. Pay attention, it's that important. Finally, there will be no school February 16th-20th.

Mr. Martin Kelly, Principal
