

Newsletter April 2017

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

State ELA testing started on March 27th and will end on April 4th. Math, Science, and Social Studies will begin on April 20th and will end on May 9th. All students must be tested with the state testing windows. I would again like to thank everyone that supported our middle school fundraiser. The 6th grade will be holding a car wash fundraiser in early May. Information will be sent home with students, as we move closer to the date.

This is the time of the year when parents are notified if their child is in danger of failing for the year. All intent to fail letters were mailed home on March 30th. If you receive a letter, you need to notify the school immediately. Students will be retained if necessary. There is still time left and opportunities to bring grades up. Easter break will begin on April 14th with students returning to school on April 19th. If you have questions and/or concerns, feel free to contact the school.

Thank you again,

Mr. Martin Kelly, Principal

LaBrae Middle Schools April News
