A MESSAGE FROM THE PRINCIPAL

Dear Parents/Guardians:

With Spring often comes the dreaded spring fever epidemic. I will be encouraging students to finish strong and make this last marking period the best of them all. Please encourage the same at home. We often notice that with the start of Spring Sports and other activities that school starts to take a back seat. However, we are not finished yet! We must continue to let them know that we are still working together on their behalf in a home –school partnership to ensure that they stay “on track” with their education. In addition to the 4th grading period curriculum, we have many things planned for the last few weeks of school. Following the LaBrae Code of Conduct is a **MUST** in order to take advantage of all that is coming up. Students unable to follow the LaBrae Code of Conduct may not be able to participate in some or all of the planned activities. Encourage your students and let them know that their choices really do make a difference!

I hope you are able to take advantage of the improving weather and spend some time outside with your family. It is so encouraging to have the sun shining again! And, as always, if you have any questions or concerns, please feel free to contact me.

Sincerely,

Milajeane Harkabus

Any medications in the clinic must be picked up **BY AN ADULT** no later than Noon on Friday, May 26th. Epi Pens and Inhalers will be sent home with the student. All unclaimed or expired medications will be thrown out.

Parents, Clinic forms for the 2017-2018 school year regarding medical conditions and medications **will be mailed home for students in grades 3 - 12**. Please complete and return these forms by the first day of school. There will be a collection box for clinic forms and medications in the main office of each building. You may drop off forms and medications starting August 21, 2017 prior to the first day of school for students. **Students entering kindergarten** who did not have an up to date shot record at the time of registration should also return their shot records to the collection box in **the Bascom Office**. **Students entering 7th grade** need to have documentation of having received their **Td, Tdap booster shot and Meningitis Vaccine**. **Any student entering 12th Grade also needs a Meningitis Vaccine**. Having these forms in place when school starts is essential in helping us keep your children safe at school. Thank you for your cooperation!

LOST AND FOUND ITEMS LOOKING FOR THEIR HOME!!

After a long winter, we have many items including shirts, gloves, hats and coats that students have lost or misplaced. We have placed all items on a table in front of the main office. Please encourage your child or you may stop in to see if any missing items are on this table. We will keep the table up until the end of the day on Thursday, May 26th with any unclaimed items donated to a local agency after this time period.
