

National Honor Society Obligations of Membership

Membership in the National Honor Society is both an honor and responsibility. Students selected for membership are expected to continue to demonstrate the qualities of scholarship, service, leadership, and character that were the basis for their selection.

The national constitution defines several obligations for members. First, all members are to maintain the standards by which they were selected (continued performance at or above the required GPA, involvement in the service and leadership projects, etc.). In addition, the constitution expects members to attend meetings and to participate in both individual and chapter service projects during the year.

Members are also expected to actively participate in one fundraiser. Members have the opportunity to purchase NHS affiliated recognition items including: graduation stoles, letterman's patches, T-shirts, key chains, and window clings.

NHS Selection Procedures

1. Juniors and seniors with a cumulative GPA of 3.3 or higher are eligible to complete an informational sheet to qualify for selection procedures. Students must have been enrolled for at least one semester prior to the beginning of the selection process in order to be eligible.
2. The NHS advisor supplies every teacher in LaBrae High School with an evaluation sheet for all eligible students who have turned in their informational sheet and essay by the required deadline.
3. The NHS advisor compiles the reviews from the previously mentioned teacher evaluations.
4. The selection of members to this chapter shall be by a majority vote of the Faculty Council which consists of five faculty members appointed by the principal. The chapter advisor will facilitate the meeting, but shall have no vote.
5. Membership will be offered to selected students who the Faculty Council approves via the induction ceremony.

Ways to improve your portfolio for NHS selection are organized below:
