LaBrae Middle Schools November News

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

We just completed our 1st grading period with report cards going home with students on November 3rd. I will be calling students down with failing marks to discuss the reasons for their marks. Many students at the middle school level they receive failing grades earn those grades. Through lack of effort. Parents are always welcome to make an appointment with any teacher to discuss their child's progress.

On October 12th we held parent-teacher conferences with 52 conferences scheduled. I would like to thank parents that were able to attend and would like to encourage others to attend. Any parent can request a meeting with any teacher at any time.

The sixth grade students were recently called down to the auditorium to meet with the dental sealant people. This is a free service that is offered on an annual basis. Students can have their molars sealed and protected from cavities. Parents must sign a permission slip so the service can be performed.

There will be no school for students on November 17th due to a staff workshop. We are moving into the holiday season and with that the potential comes for inclement weather. Be advised that school closings can be tracked on any local news channels and/or automated calls from the district. The district also has a 2 hour delay schedule that can be found on our website.

Mr. Martin Kelly, Principal

LIBRARY CORNER

A big "thank you" goes out to all who visited the book fair, and especially to those individuals who purchased items from the fair. Because of your purchases, we had another very successful book fair this year. Keep reading!
