## News to keep you informed about our school

### MESSAGE FROM THE PRINCIPAL

It is hard to believe that we are already at the end of the first grading period. By now the students have settled into their classroom and school routines. Should you have any questions regarding school policy, procedures or need phone numbers, you can refer to the Intermediate School Student/Parent Handbook. As always, if you do not find the answer to your questions, feel free to give us a call in the office between 8:45 a.m. and 3:25 p.m.

As partners in the education of your child, I would also like to remind you to continue to check your child's star binder each evening for homework assignments and messages from teachers.

Your cooperation and assistance in teaming with us to help your child to meet their fullest potential is greatly appreciated.

Sincerely,

*Milajeau Harkabus, Principal*

### Last Day to Wear Shorts

October 31st is the last day to wear shorts. **If your child comes to school with shorts on after October 31st they will be told to call home to have long pants brought to them.** With the cold weather approaching, please be sure your child leaves the house with a coat, hat and gloves as needed. Children will not be allowed to go to recess without a coat during the late Fall/Winter months.

### Viking Nation App

LaBrae is continuing to utilize a private social media app that is used for creating a communication medium that is current and centrally located. The app allows students, parents, school groups, etc. to stay up to date on school work, school related events or simply share in the successes of our students and staff. The app provides the most up to date information through push notifications to one's smart phone or tablet. Also, the app can be accessed in a web format by visiting the following link: **Viking Nation Login**—once you have created your account be sure to "follow" your child's teachers, principal and PTO.

### News from our School Nurse:

Cold and flu season is here. Just a reminder that if your child is ill, please keep them at home until they are free from fever, vomiting or diarrhea for a full 24 hours. This will go a long way in helping to minimize the spread of illness. Also, please reinforce good hand washing habits and covering those coughs & sneezes! If you have not sent in your child's **EMERGENCY MEDICAL FORM**, inhaler or Epi Pen please do so ASAP!

#### **SAFE SCHOOLS:**

**Visitors** are required to use the main entrance. All other doors must remain locked during the school day. Visitors must register in the office and wear a visitors badge while in the building. **Parents signing their child out in the office** at the end of the day are asked to wait for the students in the office or in the foyer way between the glass doors. Parents are also reminded sign out time in the office is between 3:10 - 3:20. Once again for the safety of our children **we do not take phones calls requesting us to call your child to the office at the end of the day.**
