

LaBrae Intermediate School 4th Grade Supply List for 2020-2021

Dear Parents,

We want to welcome you and your child to Fourth Grade! We are looking forward to a wonderful school year with you and your child.

Following safety guidelines, all students will have to have their own supplies. No sharing or community bins will be allowed. Please mark your child's name on supplies.

Please do not buy your child the "Fancy Dancy" supplies that many stores sell at inflated prices. We suggest that you try to buy in bulk when they are on sale this summer as many of these supplies will be used up, lost, or in disrepair, and will need replaced throughout the school year.
