## 2023-2024

### 6<sup>th</sup> Grade Supply List

Dear Parents/Guardians:

We want to welcome you and your child to Middle School! Here is a list of supplies your child will need this school year. Please buy enough to last your child all year!

#### PLEASE MARK YOUR CHILD'S NAME ON THEIR SUPPLIES!

Also, please remember that nothing large can fit in our lockers! For example, large notebooks and trapper keepers do not fit. Please do not bring these items as they will only jam your child's locker making it hard to open.

All books are required to be covered with a brown paper bag or paper book covers. No stretchy covers are permitted.

Practice using a combination lock over the summer. It will make using the combination locks on the lockers a lot easier!
