News from Mr. Carpenter

Bascom Elementary School has enjoyed the fall with a number of educational activities. The Kindergarten class went to Cleveland Science Center to have hands-on activities. This field trip was content standard driven. The students applied skills in Social Studies, Science, and Economics. During fire prevention week, the Warren Township Fire Department came to the school and provided a two-day presentation. The children discussed safety procedures and were able to see the fire departments equipment and vehicles. Thank you, Chief Schick and all the volunteers who are willing to save other lives at the risk of their own to keep our community safe..

On October 15, 2012 the Library kicked-

off our Community Reading night which all LaBrae students from Kindergarten through fifth grade can attend with an adult. The evening will be filled with numerous enrichment reading activities, science projects, coloring pictures and free books. Please take advantage of this special time on Monday's from 6:00 p.m. until 7:30 p.m. to spend with your children as they continue to develop. Research shows that the more children read the better students they will become. Please remember to go through your child's book bag because we are always sending information home of upcoming events in the classroom, progress reports and work to do and review with your children.

Bascom Library News

Come and join us as we celebrate the joy of reading at the **Scholastic Book Fair!** Please mark your calendar with these special dates:

November 12-16th — **GRANDPARENT DAYS**—Grandparents are invited to shop with their Bascom grandchildren. If a grandparent is not available, students may invite any other "grand" person in their life! Each class will shop during their regularly scheduled library time. Look for these times on the back of the letter being sent home with the Scholastic Book Fair flyer.

November 15th - 19th — **FAMILY FUN NIGHTS** 3:30p.m. to 7:30 p.m .— during parent/teacher conferences. Invite your family and friends! Everyone is welcome. Visit the Book Fair and enter into a contest to win books and posters!

Please look for the Teachers' Wish Baskets displayed at the Book Fair. The baskets are filled with books that teachers have personally picked out for their classroom libraries. Simply choose a book from the basket and take it to the cashier. Books make a wonderful teacher's Christmas gift!
