MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

The holiday season is already upon us. The truth of the matter is that time does fly whether you want it to or not. This past November 15th at 10:00 a.m. the district held its first lockdown drill. The Student Resource Officer Dan Barb with the support of the WTPD monitored the drill and walked through the complex checking all doors and listening for noise coming from any classroom. The drill went well all doors were secure, and any noise heard came from the WTPD and administration as we checked the doors. The district has since given all LaBrae employees a photo ID badge that is to be worn at all hours during the school day. Staff will either wear the badge around their neck on a lanyard or a clip to be visible to students, parents, and any police department. All visitors to the building will be issued a visitor badge so that everyone knows that they have permission to be in the building. The district holds monthly fire-drills, tornado drills during tornado season, and sporadic lockdown drills. We want all parents to know that we take student safety very seriously and practice drills often.

The middle school 6th-8th Christmas concert will be held on 12/18/18 at 7:00 p.m. Christmas break will begin at the end of the day on 12/21/18 with students returning to school on 1/7/19. The 1st semester ends on 1/18/19. I want to wish everyone a Merry Christmas and Happy New Year. Spend time with your loved ones as I stated time does fly.
