LaBrae Middle Schools February News

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

Report cards were given to the students on January 31st. Take some time and review your child's grades with them and ask questions. There is one more round of parent-teacher conferences on the 13th of February from 2:00 pm - 9:00 pm. I encourage all parents to take advantage of conference night. If you schedule an appointment in the middle school, you meet with all of your child's academic staff. This is set up to be the best procedure possible. If there are any questions or concerns, they can be answered then. Please take advantage of this opportunity.

The testing window for the 2020 state test runs ELA from 3/23 - 4/24, and Math/ Science from 3/30 - 5/8. I am creating the testing schedule for grades 6-8. Attendance is extremely important because once a testing window closes it cannot be reopened. The 6th and 7th grade students will have a test in ELA and math. The 8th grade will be tested in in ELA, math, and science. I will be posting the testing schedule in March's newsletter and sending home a copy with every student. We will not begin testing until mid April.

The middle school has been practicing lockdown procedures during lunch. We are being proactive in getting our students ready in case a lockdown occurs during our lunch period. Operation Keepsake has met with the 7th & 8th grade students and is meeting with the 6th grade students the week of February 3rd. The student calendar for the month is P-T conferences February 13th with early dismissal at noon. There is no school on the 14th and 17th. School resumes on the 18th.

Mr. Martin Kelly, Principal

Students of the month. We are proud of all our student's accomplishments.

6th

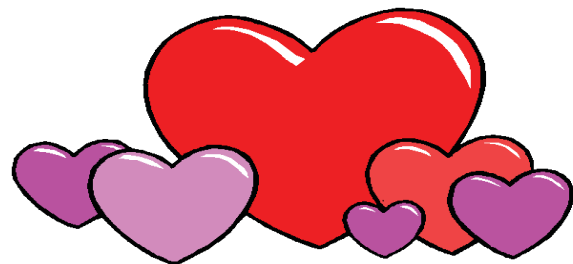

Abby Balzer
Ryan Simunich

7th

Rayne Bultema
Steven (Keith) Smallsreed

8th

Marybeth Craig
Marcellus Roberts
