LaBrae Middle Schools February News

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

Parent-teacher conferences will be held by phone on February 11th from 2-9pm. Students will be released at noon on the 11th. Report cards have been sent home with the students. Report cards for our on-line students were delayed by a week. I am hoping that parents will review their children's report cards and then call the school to make an appointment to talk to the teachers. The middle school staff will meet as a whole unit. If you make an appointment, every content teacher that grade level is available to talk. This is the last conference for tis school year and hopefully you will take advantage of this time.

There will no school on February 12th and 15th with the early release happening on the 11th. Progress reports for the 3rd grading period will be sent out on February 17th with grading period ending on March 26th.

The district administration will be meeting shortly to put together a state testing calendar for this spring. As of this moment, Ohio is still planning on administering our AIR tests. This can always change but we shall have to prepare for the tests. In the next months newsletter, I will provide additional information on testing for this year.
