LaBrae High School — "Home of the Vikings"

Nurse's News

Parents, cold & flu season is upon us. It is not too late to get flu shots for the family if you have not done so yet. Please reinforce the importance of handwashing, covering coughs and sneezes, avoiding crowds if you are ill and not sharing eating and drinking utensils. Proper rest and nutrition also helps keep the viruses at bay.

Just a reminder, if your child is absent or sent home from school ill, he/she should not return to school until free from fever, vomiting, & diarrhea for 24 hours or until cleared by their doctor.

Check out the following links to see how cold & flu germs are spread & how to help tell the difference between the cold & flu.

If you have questions or concerns consult your healthcare provider.

2018 Homecoming & Spirit Week

During LaBrae High School's 2018 spirit week, students of all classes participated in the fun throughout the days leading up to homecoming by dressing up. Although there was no school on Monday, the students started the week off with a bang by wearing their togas on Toga Tuesday. Wednesday, they hopped into their favorite pair of cowboy boots for Western Wednesday. On Thursday, they kept it casual with Red and Gray Day. Finally, each student showed off their class pride by flaunting their shirts on Class Shirt Day.

As the end of the week approached, each class decorated their hallways with a special theme chosen by their peers. The Freshmen's hallway theme was Toy Story. The Sophomores put "Up" a good fight with the hallway theme Up. The Juniors put on a show

with the theme of The Greatest Showman. Finally, the Seniors were in a world of their own with World of Disney.

The student body nominated their classmates for homecoming court. The Freshman attendants included Brynley Harris, escorted by Aiden Stephens, Sophomore attendants were Maggie Guy, escorted by Riley Phillips, and Junior Attendants were Isabella Nogales, escorted by Konner Johnston. Senior nominees for homecoming king and queen were Maddie Sanderson, escorted by Tyler Stephens, Kaitlin Gibson, escorted by Benton Tennant, and Makenzie Mattozzi, escorted by Zach Meyer. Tyler Stephens was crowned King and Makenzie Mattozzi was crowned Queen for homecoming 2018. The evening was full of laughs and many memories.

LABRAE DAY

This is the first year we will be having a "LaBrae Day". All grades from Kindergarten to 12th grade will come together this day in our gym. We are asking that everyone wear scarlet and gray on November 2, 2018. Bring your school spirit with you! "Go Vikes!"

LaBrae Food Drive

November 1-20, 2018

Thank You for Your Support!

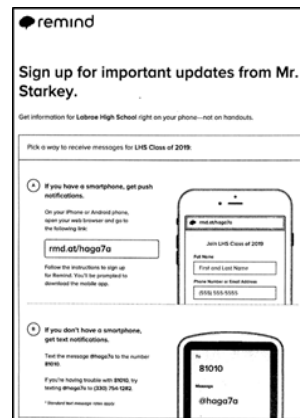

Fall 2018 Issue

SENIOR REMINDERS

Seniors will need to submit a baby/toddler picture for the graduation slide show. All pictures are due to Miss Nogales by December 14, 2018!!

Seniors, you also need to sign up for the REMIND App! Important messages and reminders will be sent to you throughout the year!! 56 of you have signed up, but there are 94 of you! Stop in the School Counselors' Office if you need help!

LaBrae High School — "Home of the Vikings"

New Teachers:

Mrs. Carpenter

Mrs. Carpenter was interviewed with a few questions concerning her current job. When asked if she enjoys working here at LaBrae High School, she responded with a yes. She attended and graduated from the University of Akron. Mrs. Carpenter explained that she truly cares about people and wanted to have a positive impact now and on future generations because it is important to teach teenagers skills that enable them to be responsible and self-sufficient adults. She felt that she can do it through teaching Family and Consumer Sciences.

Mr. Michl

Mr. Michl answered questions in his free time about his hobbies and college life. He attended Kent State main campus and majored in Integrated Science. Outside of working at LaBrae High School, he likes to play disk golf, skateboard, and watch scary movies. When asking Mr. Michl if he enjoys working here at LaBrae High School he responded with yes, because the students are nice and the staff is very helpful.

Mr. Haught

Mr. Damon Haught is our new Viking Learning Center instructor. Mr. Haught graduated from YSU with a master's degree in mathematics and a bachelor degree in secondary math education. He taught at Newton Falls and Hubbard prior to LaBrae. He also worked at Summit Racing Equipment. Mr. Haught's hobbies are weightlifting and working on cars. Mr. Haught enjoys working here because the student body and staff are a hard working, respectful, and enjoyable group of people. He also believes the administration shows great leadership and treats the staff and students with great respect.

NHS Hosts Annual Blood Drive

Donating one pint of blood can save up to three lives. On September 28th, members of the National Honor Society hosted a blood drive with the help of the Red Cross. The blood drive had much success and will help many people. Our school was able to achieve this success with the help of many willing, caring students and teachers that wanted to make a difference in the lives of others. Any and all help counts, and LaBrae students and staff stepped up to possibly save many lives.

CollegeCredit
PLUS

On November 19, 2018 we will have a CCP Night for students who want to take CCP Classes. This event will inform parent(s) and students about important information and criteria you must meet in order to take a CCP class at LHS. All students who are interested are encouraged to attend. Registration will begin at 5:30 p.m. and the presentation will start at 6 p.m. in the LHS Auditorium. If you have any questions please see Miss Nogales in the School Counselors' Office.

SADD Sponsors RIDE 4 LIFE Assembly

On September 28, 2018, SADD held an assembly for the students here at LaBrae. The group brought their motorcycles and put on a stunt show for our students. The lead motorcyclist, Scott Caraboolad, gave a message after the show, encouraging the kids to make good decisions. He gave his testimony of his life as a teenager, and the tough time he had as a young adult. Scott talked about what he learned, that there is always a new road we can ride down. This message of inspiration and encouragement was just the speech our students needed to hear.

Vikings Football Success!

If you have picked up a paper in the last couple of weeks you would know that the LaBrae football team is buzzing. Currently 3rd in their region and ranked in the division 5 AP State Poll, the Vikings are looking to make a deep playoff push. The Vikes (9-1) are led by captains Colton Stoneman, Riley McCleary, Benton Tennant, Kent Wolford, Konner Johnston, and Tyler Stephens. The team was 1 point shy of breaking the single game scoring record of 74 points but they accomplished the single season scoring record. The offense averages around 50 points per game. The defense of the Vikes has had great success, too, hosting multiple shutout games along with holding 7 teams under 15 points. The Vikes will host a playoff game on November 3, which would be the second playoff game hosted in three years. Good Luck, Vikes!

SENIOR COLLEGE & CAREER NIGHT A SUCCESS

The Class of 2019 had their Senior Night on Monday, October 8, 2018. Students and their families came and listened about how to plan for their future. There was a Financial Aid Advisor from Kent State - Trumbull University and 35 representatives from colleges, technical & trade schools, military, community agencies, school organizations, and many more participated this year. Thank you to all the students, families, and Viking Volunteers who attended and/or helped make our event a success!

GOOD LUCK, VIKES!

Thank you to the students & staff who contributed to this Newsletter:

Haley Armstrong	Mrs. Carpenter
Alexis Huscroft	Mrs. Harper
Alyssa Huscroft	Mr. Haught
Monika Neal	Mr. Michl
Cassie Smith	Miss Nogales
Tyler Stephens	
Colton Stoneman
