October News:

OAA Testing Information:

The Ohio State 3rd Gr. Reading Achievement Tests will be Tuesday, October 8th. You can help your child prepare by making sure they get a good night's sleep the night before and that they have a nutritious breakfast on the days of the test. Tests are administered from 9:45-12:15 p.m.

October Count Week

We are asking that students make every effort in making perfect attendance during the week of October 7th. This week is when the state looks at our student count to figure out the amount of money the district will be receiving for the 2013-2014 school year. Needless to say; the more children we have attending, the more money we receive. ***Another reminder***—Please contact the school at (330) 898-0800 when your child is ill and not coming to school.

Zap-A-Snack Fundraiser

LaBrae Intermediate will be sponsoring a fall sale to raise money for educational materials and field trips. The fundraiser began on **September 4th and will run through September 26th.** Money will be collected from the customers as orders are taken. Please have **checks made out to "LaBrae Intermediate School".** Money and orders will be due no later than September 26th. **Delivery will be on Friday, November 1st.** Remember the **products are frozen**; they need to be picked up and delivered on this day. Please be sure to mark your calendars now. As always, we appreciate your support in helping our school.

PROGRESS REPORTS

Just a reminder that on September 27, 2013 Interim Reports will be coming home with your child!!!

FROM THE L.I.S. WELLNESS TEAM

In response to an increase in the number of children with food allergies and students with medically related dietary issues, we feel it is necessary to revise our policy regarding parties in the classroom. **Therefore, we request parents not send in any food products for parties unless asked by the teacher.** Teacher requests will include special treats for the class. We would like to make the parties more activity focused rather than food focused. Food for the parties will be arranged with the cafeteria. Your child's teacher, or designated party planner, will contact you regarding classroom activities that may be fun for the children to do during the party. Think crafts, games and songs. We welcome your participation in these special events, but we must consider the needs of all the children when planning these parties. We appreciate your understanding and cooperation concerning this matter. Also please turn in any Clinic forms & Medications, if needed, as soon as possible.

Thank you,
Ms. Harkabus, Principal
Mrs. Harper, School Nurse
Mrs. Jones, Cafeteria Supervisor
