TCESC PD

Prior to the first day of school, our staff meet with TCESC to discuss the use of Highly Qualified Student Data for the upcoming school year. The session was held in our new Professional Development Room located in LIS.

Summer Learning

Beginning on August 8th, selected students attended our Deep Dive in Learning Summer Session. The summer session was 2 weeks and ended on August 19th with a trip to the Cleveland Zoo.

LABRAE PTO

PTO meets once a month with the exception of the month of September. There are two scheduled meeting this month.

The first meeting is a Welcome Meeting on September 8th, which is to welcome new members. Topics of discussion include defining what PTO is and a description of the officer positions and building representatives roles and responsibilities. Written nominations will be taken for this school year.

The second scheduled meeting on September 13th is the first general meeting. Topics include an update from where the club finished last year and begin discussing this years activities. Voting will take place on the nominations from the September 8th meeting.

Epi-pens, Inhalers & Medications

Emails and phone reminders have been sent out to remind families of the importance of students having epi-pens, inhalers and medications as needed. We have had a bee issue on the playground which makes it more imperative to have everything current, available and up to date.

Car Riders Permanent Pick Up & Morning Drop Off

Guidelines for Permanent Pick up were sent home to parents via email and also handed out at the end of the day. These suggestions will keep our traffic patterns safe and efficient.

Please remember to pull up as far as you can without blocking bus entrance or cross walks. You must have a tag. If you are not registered, you have to come into the office and sign out your student. Entrance & Exits are on the passenger side of the car. Please see the email/flyer for a complete list of suggestions.

Students who are not bus riders who want to eat breakfast should be dropped off in the morning before 8:25. Breakfast ends at 8:40 with morning announcements!

Popcorn Friday

Friday, September 16th, Popcorn Fridays begin. Send \$.50 with your child to purchase a bag of popcorn. One bag per student. Thanks to our PTO volunteers for being our Popcorn Ladies!

On September 22, the LIS Fall Fundraiser will begin. This is our only fundraising for the year and provides funding for student equipment, activities, field trips and extra resources for the classroom. Any help is greatly appreciated. More information to come!

Note from the Principal

It was so good to see so many families at our Open House prior to the first day of school. I am hoping that August was an indication of the very different school year we are anticipating on experiencing this year. August seemed to much less chaotic as we prepared for school enabling us to focus on the important things for students and not a time of scrambling to figure out a new normal in the midst of a time of uncertainty and panic.

I guess I am hoping for somewhat of a return to earlier times. Can we return to a time where we can just focus on our kids and interacting person to person without fearful restrictions or fear? We have much to learn and experience if we are to come to other side of our experience over the last few years as whole and healthy persons. While we may not be "out of the woods" yet, I am extremely hopeful that we stand at the horizon of a new day. KAS
