## MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

Another holiday season has come and gone. The co-horts have returned to the buildings after being out since Thanksgiving break. Hopefully we can get everyone back into the routine that we started the year with. I have also read that the state has started vaccinating health care workers and any other people that are in direct contact with Covid 19 patients. At least the process has started and maybe we can start putting this behind us.

There are a few important dates in January for staff and students. There will be no school on January 18th in observation of MLK Day. The first semester will end on January 22nd with report cards going home with students on the 29th. January 22nd will also be an early release day with students in the HS/MS to be dismissed at noon.

Students that are enrolled in the TVLA/Peak Program will also have the option to return to school on January 25th. The information on whether a student was returning or remaining on-line was sent out in November. Parents will be notified as to which cohort their returning student will be placed in before January 22nd. Most of the students have been placed but I also must try to balance the cohorts.

Let's hope that 2021 is a better year, Happy New Year.

*Mr. Martin Kelly, Principal*
