MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

I would like to take a moment to welcome everyone back from their 2016 Christmas break. I hope everyone received what they needed and helped out where they could. It's officially 2017, and in our school year the first semester is rapidly coming to a close. The semester ends on January 13th with report cards going home on January 20th. I cannot emphasize enough the importance of your child's report card and sitting down with them and discussing their marks. It's highly probable that grades will change when discussion takes place. On the reverse, it's highly unlikely that anything will change if you don't take the time to ask questions and discuss grades. Please take some time with your child.

There will be no school for staff or students on January 16th in remembrance of Martin Luther King Day. There will also be no school for students on January 17th due to a professional development day for staff. I think that is all for now, testing plans/dates for this year are being formulated and will be sent out in a newsletter soon.

Mr. Martin Kelly, Principal
