January 2018

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

I hope everyone is well rested after the holiday season. Hopefully everyone received what they needed and gave what they could. Either way school is back in session with the first semester ending on January 12th with report cards going home with students on the 19th. A reminder to parents the district does have a 2 hour delay schedule in place. Due to cold temperatures and wind chills this option may be used. In the event of a 2 hour delay 1st period would begin at 9:40. For additional information you can check our website.

The district will be setting up the state testing schedule for 2018 this week. The 2018 testing window for ELA will be 3/26-4/27. The testing window for math and science will run from 4/2-5/11. I realize this is only January but times has a tendency to move rather quickly. Additional information will be provided as we move closer to the testing window.

There will be an early day on January 12th. Middle school and high school student's will be dismissed at noon. School will not be in session on January 15th in observance of MLK birthday.

Mr. Martin Kelly, Principal
