

# LIS 2022 April Family News

*Volume 2*

*Issue 9*

**Flash Back to March**  
During the month of March, we had some very exciting events at LIS.

Many of our students were able to enjoy a Pizza Pie Party complete with pizza, pie in the face and a Dance Party courtesy of the PTO.

This was to reward students who participated in the PTO pie sale by selling at least one pie.

Check out the next pages for some PTO Highlights!

# Club 24 Begins

At LIS we are hosting a morning Club 24 from March 23rd to April 27th on Wednesday mornings beginning at 7:30 a.m.

Club 24 is based on the Challenge 24 game where students compete to answer cards that use operations to equal 24. In the past this has been a county initiative with a Trumbull County TCESC and a county tournament. This year this was cancelled because of Covid restrictions so we are having our own mini-competition.

## Flyer from PTO

## LIS Final Results

- 5th Grade Molly Beck, who was featured in our March News competed in the Scripps Spelling Bee and made it to the 4th round with only 19 remaining competitors.
- LIS Quiz Bowl team competition results were that they won 2 out of 3 games against 6th grade teams and just missed the elimination round!

Congratulations to all our students for representing LIS so well!

## Club 24 Pics

# LIS Wearing of the Green

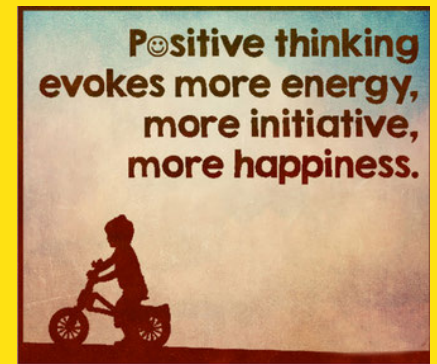

# Important Dates or Reminders

- 5th grade band scheduling begins late April or Early May (4th grade students completed mouthpiece training in March)
- Report Cards sent home on April 1st (3rd quarter)
- Honor's Assembly April 1st scheduled by grade
- Progress Reports - 4th quarter Wednesday, April 27th
- Spring Break-April 15th - 18th (school back in session on April 19th)

## Testing Days at LIS

Testing Area	Day 1	Day 2	Start Time
ELA 4	4/6	4/7	8:45
ELA 5	4/4	4/5	9:30
Science 5	4/20	4/21	9:30
Math 4 & 5	4/27	4/28	8:45

## Testing Tips for Home

- Mark the Testing Dates for your child on the calendar
- Get enough sleep the night before the test
- Eat a nutritious and filling breakfast avoiding high sugar content items as they can make students hyper or unfocused
- Make sure your child is on time (set an extra alarm if needed)
- If child is sick, do not send them to school but notify the school ASAP
- Encourage your child to do his/her best with no pressure
- Use positive language telling students this is their opportunity to show what they have learned and the important thing is growth
- Send a healthy snack

## **Gifted Math Students Create & Play a Fraction Math Game**

### **Principal's Message**

The photos to the left and at the bottom of the page show our new mentoring program under the direction of our Cadence Care Support Staff. I had the opportunity to play some kickball with them.

Our program goal is about creating positive relationships in a school environment for our students who need additional support. The last two weeks we have been using team building exercises to grow our strengths and weaknesses. As we round the corner to the end of the school year, we continue to work on academics and our social emotional learning supports. We have seen great gains in both areas and are committed to moving forward.

March is always a challenging time as the weather gets warmer and the school year's wear and tear can zap us of our energy. It is a kind of restlessness or March Madness.

It is a good time for us all to recenter and realign our purpose and motivation for a final push to the end of the year.

We all want the very best for our kids and we continue to work together everyday to do all we can to educate and meet the needs of the whole child. They are a treasure. KAS
