Cold Weather

At LIS, we prefer to continue with outdoor recess as long as the temperatures above a certain windchill. When students do not have adequate winter wear, we are concerned and often offer coat or other outerwear. We do have some students who prefer to wear a hoodie instead of a coat. Our guideline is that it has to be an additional layer that is not worn in the classroom but put on to go outside.

4th Grade Float Parade down 4th Ave.

4th Grade students had their own Thanksgiving Macy's Day Parade after reading several articles on Thanksgiving. They designed their own floats for a parade down 4th Street!

Tuesday, Dec. 21-Santa & His Helpers Day

This week we returned to school to a snow-covered winterland. It was a beautiful peaceful morning to begin our countdown to Christmas break.

We continue to work on adjusting and acclimating to regular school. Our greatest challenges are transitional times, lunch, recess, bussing and digital supervision. I appreciate your support as we continue to hold the line in accountability and consequences. It is getting better.

I truly hope that the past week of Thanksgiving was a special time for your family to gather and celebrate the joy of just being present with one another. I truly hope that the coming holiday season is filled as well with great joy, peace and the promise of a new year. While it may not be a return to the same life before COVID, my hope is that we move towards a time where we all feel safe, secure and at peace. I also hope for a restoration of our families in body, mind and spirit!

**Thank you for all you do to support us. During this time of gift giving, we want to say thank you for sharing you most precious gifts with us- your children! Happy Holidays filled with many many blessings!
Mrs. Suzelis**
