Mrs. Suzelis delivers Rockin' Remote T-shirts and Principal Awards.

Viking Virtual Leaders are Rockin' the Remote.

On December 18th, Mrs. Kowach, Mrs. Suzelis and Officer Dan cruised around the district delivering T-shirts to students from Bascom and LIS that have been doing a tremendous job with the remote work! Each student received a specially designed T-shirt and special award. Students were selected by their teachers and one student from each homeroom was honored.

Rockin' Remote Students from LIS were: Isaiah Johnson, Kiley Stehura, Baylee King, Robert McQuain, Kaleigh Kascsak, Landon Witherow, Marshall Babione, Brooke King, Destiny Hineman-Haak, Connor Sackett, Brooklyn Box & Aubree Colburn.

Congratulations to our students who continue to work very hard remotely and are keeping up daily with assignments! Thank you also to parents for your help & support.

New Semester Begins on January 25th!

Virtual Holiday Greetings

Special efforts on behalf of our staff were made to reach out to our LaBrae families and connect with our special Holiday Messages.

I am including the links for our Christmas Greeting Slide Show as well as our special musical presentation from staff from all levels of instruction singing a special rendition of “Deck the Halls” with lyrics especially written for our LaBrae families.

Special thanks to: Mr. Calderwood for his recording and technology help. Mr. Len Suzelis for leading our choral rendition and musical arrangement. Mrs. Ott for her flute accompaniment. Mr. Murphy and Mr. Borsody for playing the guitar. All our staff members that participated in our recording!

Google Meet Title 1 Night

Thank you to the many families that tuned in to our Bascom/LIS Title Night on December 17th. I had the opportunity to do a small part in the evening presentations but credit for the organization, planning and evening presentations goes to Mrs. Kowach, her Bascom Title Staff and our Title Teacher Mrs. DeArmitt.

We had a special visitor appear at the end of our evening to send out Holiday Greetings via our musical Christmas Carols. Special thanks to Mr. Diaz for his very special role in the evening.

Thank you to our wonderful School Resource Officer, Officer Dan Barb for his willingness to cart us all over the district to make our special deliveries to our Rockin' Remote Student Stars! My first ride ever in a police cruiser!

Return to Hybrid Schedule Begins on January 4th

After 3 weeks of Remote Learning for the month of December, LIS will return to the previous hybrid schedule with alternating days for gray and scarlet cohorts for grades 4 & 5.

Grade 3 will continue to come every day to school, as well as all other students who were identified for attendance everyday based on need. Basically, all students should return to the schedule which they were following prior to the remote learning schedule in December.

Remote Days for Gray and Scarlet Cohorts will tentatively contain a direct instruction component for students to join via Google Meet.

See you January 4th for in person learning!
