Principal's Message From Mr. Kelly

I just received a mailing from US News and World Report. The magazine evaluates a variety of indicators for academic qualities. The 37,000 public elementary schools are ranked based upon those academic qualities. LIS received a "BEST" Elementary School nomination. LIS was ranked among the top 40% of schools in the state. I would like to congratulate the LIS Staff and former Principal, Mrs. Suzelis, for their hard work and dedication to our students. The community also plays a large role for this success.

Last month, we held the final Parent-Teacher Conference for this school year. Nearly every slot was filled by a parent to meet with a teacher. Parents need to continue this trend as your students transition into new buildings. The number of conferences being held at this level are far greater than any conferences in grades 6-12.

The third quarter grading period ends on March 22, 2024, with report cards going home on March 28, 2024. There will be no school on March 29-April 1. Classes will resume on April 2, 2024. Enjoy your holiday.

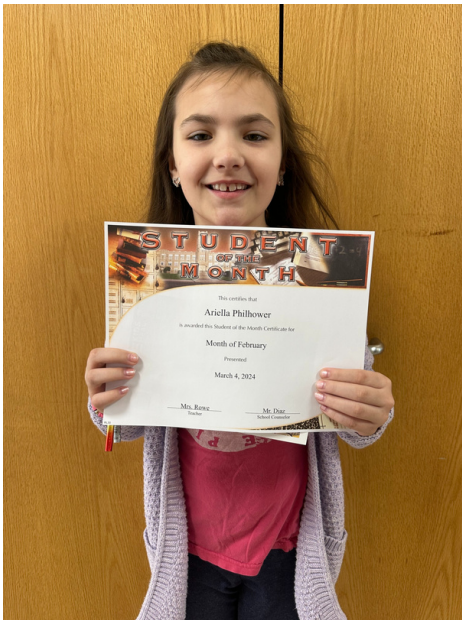

Mr. Kelly
