Principal's Message From Mr. Kelly

Interims were sent home with students on September 25 for parental review. Interims are basically progress reports on your child's academic performance to date.

Report Cards will be sent home on November 8. The time-frame between interims and report cards allows the district to hold Parent-Teacher Conferences. PTC will be held on October 10 from 2-9 p.m. Students will have early dismissal at 1 p.m. on that day. Registration for conferences has been sent out through FinalForms. We are using Sign Up Genius for scheduling purposes. The slots are filling up fast, get your slot while they're available.

The 3rd-grade students will be taking all state tests this year on paper, including the Third Grade Reading Guarantee. (TGRG). The dates the TGRG will be administered are October 16-22. If attendance is good the students will be finished by October 18, inclusive of make-ups. Paper tests take longer to grade than the online testing. Student results will return to the district December 16 - December 23.

There will be no school for students on October 11 and November 5.
