MESSAGE FROM THE PRINCIPAL

Dear Parents/Guardians: The 8th grade students will once again take the ACT Explore test. The 8th grade staff/students will be called down to the auditorium on 12/2 to pass out brochures containing information about the test. Testing will commence on 12/5 and 12/6 during the morning hours. Attendance and timelines are very important during the testing window. The district recently held a lockdown drill on 11/18 at 1:15 p.m. The WTPD and the OSP were on scene to help with the process. The lockdown was successful and went very smoothly with no incidents. We are entering the holiday season and need to be mindful of what we have and hopeful for the future of our students, parents, and community. I wish you all the very best during the holiday season. Stay safe and have a Merry Christmas and a Happy New Year.

Mr. Martin Kelly, Principal

Library Corner

A big “thank you” goes out to all those who visited our Scholastic Book Fair this year—and especially to those people who purchased items from our Book Fair. Your purchases not only put books in to your students’ hands, but also enabled our school library to add books to the collection due to profits that we received.

The winners of our guessing contest were Brent Sanderson and Mrs. Rohm, on behalf of her homeroom. Both guessed the exact number of candy pieces in the container (147) and were awarded their prizes.
