LaBrae Middle Schools September News

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

I would like to take a moment to welcome everyone back to the 2017-2018 school year. I have received last year's (AIR) testing results for all students in the middle school. Individual testing results are being put together and will be handed out to students very soon. School will not be in session September 12th for students, but staff will report.

It is very important that we have all student forms filled out and returned to the building ASAP. Every student received several forms on the 1st day of school that need to be completed accurately and returned. The forms include medical forms, internet usage forms, and lunch forms. Please make sure they are returned in a timely manner.

The 6th grade staff and students have started their annual mum sale. All proceeds will help deter the cost of attending camp. Mum materials will be coming home this week.

The 2017-2018 school year officially started, I would like to remind all parents and students that my office is accessible to everyone that needs assistance. Feel free to call or stop by.

Mr. Martin Kelly, Principal
