Home of the Vikings!

September 24, 2021

Dear LaBrae Parents, Staff and Community Members:

As we continue to mitigate the spread of COVID-19, we believe it is our responsibility to communicate transparently with our school community.

We have received confirmation that multiple students have tested positive for COVID-19. While we must protect the privacy of the persons involved, we are committed to providing accurate data to our school community. The positive cases were identified in the following buildings:

Bascom Elementary: 1 student

LaBrae High School: 1 student

Anyone who has been identified as a close contact has been notified with further instructions as part of the COVID-19 investigation.

LaBrae Local Schools will continue to follow the guidance and recommendations of the Trumbull County Combined Health District, Ohio Department of Health, as well as follow COVID-related safety procedures. If you have any questions, please contact your child's building principal or the Trumbull County Combined Health District at 330-675-2489.

We are grateful for the opportunity to serve you and your family, especially as we face this challenging situation together. Thank you for your support of LaBrae Local Schools!

Respectfully,

Anthony J. Calderone
Superintendent
