

Message from Principal Kelly

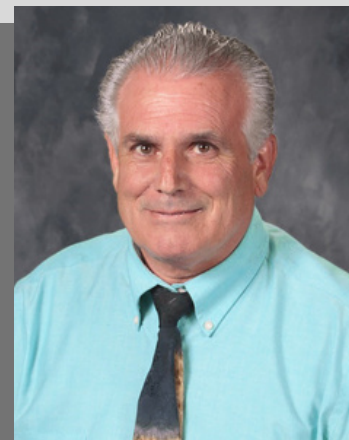

Dear Parent/Guardians:

I hope everyone enjoyed their Christmas break. School is back in session and we are moving quickly to the end of the 1st semester. The semester ends on January 21 with report cards being sent home on January 28. The next parent-teacher conferences are set for February 17 from 2-9 pm.

As I mentioned previously, report cards will be sent home with students on January 28. Please take some time and review the report card and then make an appointment to meet with your child's teachers.

Conferences are scheduled in 15-minute slots and you'll have the opportunity to meet with all of the core teachers of your child. This is the last P-T-C for this school year so make an appointment. Please pay attention to your local news as we move into the winter months. School closures are announced on our website and our local news channels. There will be no school on Monday Jan. 17 in observance of MLK Day and students will be released at noon on January 21.

*Mr. Martin Kelly, Principal
Grades 6-7-8*

Important Dates

1/17: No School (MLK Day)
**1/21: End of Semester /
Early Release at Noon**
1/28: Report Cards

LMS TEAM 'PREPS' FOR ACADEMIC CHALLENGE

COUNTYWIDE TOURNAMENT SET FOR JAN. 15

Members of the LaBrae Middle School Prep Bowl Team (grades 6-8) are working hard, preparing for their upcoming tournament at Trumbull Career and Technical Center (TCTC) on January 15.

Students practice their buzzer skills, show off their knowledge and learn from each other as they compete in practice rounds.

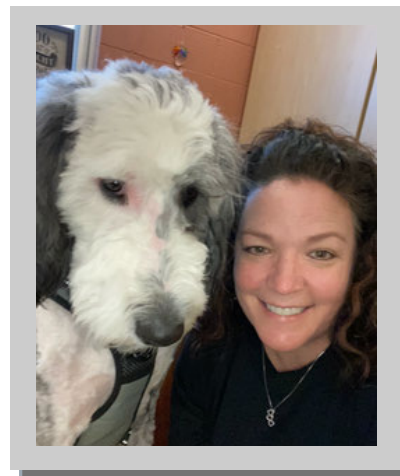

The LaBrae Middle School Team has won the countywide tournament three years in a row and is looking to make it a fourth win to continue the tradition of academic excellence here at LaBrae.

School Counselor Connection

Mrs. Wilthew
School Counselor for Grades 6-9

Students get creative producing Viking Vibes Studio (VVS) News

This year, we started a Video Production Crew with some of our 8th grade students. The students came up with the name Viking Vibes Studio (VVS). We meet during their lunch period to work on preparing different segments for the video, which is viewed every Friday morning by all students in grades 6-8. Some of the segments include weather, LMS sports, birthdays, quotes, jokes and much more.

The students have done a great job and are learning many valuable skills like teamwork, public speaking, time management, cooperation and leadership. VVS also gives students the opportunity to showcase their creative side and prepares them for the option of taking Video Production in high school as an elective class!

To connect with Mrs. Wilthew, email melissa.wilthew@labrae.school or call 330-898-0800 option 3
