

## Message from **Principal Kelly**

Dear Parent/Guardians:

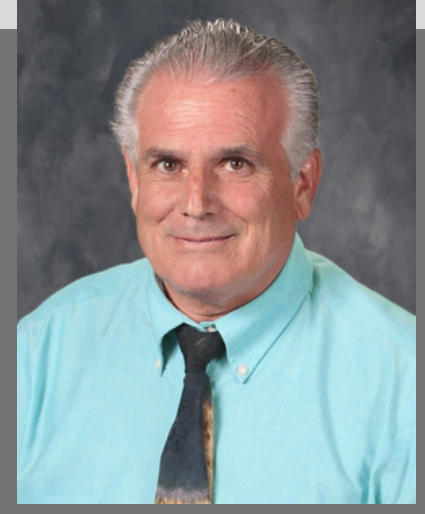

This is the final newsletter for the 2021-22 school year. State testing has been completed with the exception of a few makeups. This is also the time of the year when students have a tendency to slack off because summer is near. Students need to continue working until the year ends on May 31st. Many students have uncompleted assignments that they need to complete. Ideally, students should finish the year as they started the year.

Final report cards will be made available on the Parent Access on June 8th, if there are no outstanding fees. A date to come into the building to pick up a hard copy has not been determined. I will communicate that date through FinalForms once it's coordinated with the other buildings. Summer School and/or retentions will be handled between student and parent on an individual basis. I will notify any parent if there is a potential retention. If you don't hear from me, your child will move on to the next grade level.

The 6th grade will be leaving for Camp Sheldon located on Lake Erie on May 17th and will return on May 20th in the afternoon. Please pay attention to the supply notes as they come home and any information from the 6th-grade staff. The students really enjoy the experience of getting away for a few days and trying new activities. There is a ton of planning by the 6th-grade staff on a yearly basis to keep the program going. One of the largest supports comes from the annual mum and Daffin candy bar sales. These sales help to greatly offset the cost of taking 6th grade to camp. On a similar note, the middle school has not had a fundraiser in the last two years due to Covid 19 changes. So, I decided to have one this year. The students sold more than I sold in 13 years. Again, that support and profits enable me to purchase additional items for the staff. Your efforts are noticed and appreciated. All students who qualified for prizes for their sales have been taken care of. On May 11th, we will have a lunch at Cockeye BB for our highest sellers.

Lastly, I would like to say to enjoy your summer months and I will see everyone in Late August.

*Mr. Martin Kelly, Principal  
Grades 6-7-8*

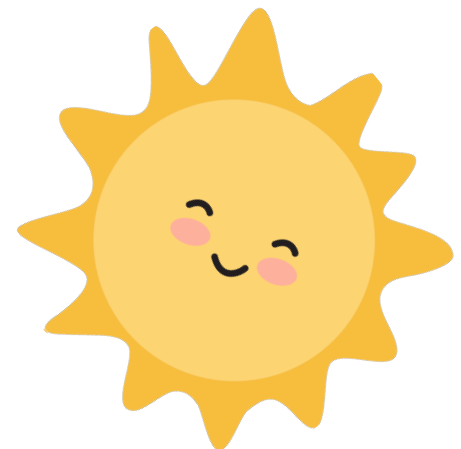

### Important Dates

5/17-20	6th grade at Camp Sheldon
5/31	Last Day of School
6/8:	Final Report Cards available via Parent Access

# School Counselor Connection

Mrs. Wilthew  
School Counselor for Grades 6-9

---

Here we are. It's the end of the school year already!

May is a busy month filled with a lot of different activities and events in the middle school.

This month, Mr. Starkey and I will be conducting a high school transition meeting for our eighth-grade students. We have invited some of our current high school students to share their own experiences as a high school student.

Mr. Kelly and I will also hold a middle school transition meeting for our incoming fifth-grade students. The students will have an opportunity to tour the middle school hallway and receive a welcome letter from our current sixth graders.

Have a safe summer! Go Vikes!

# POWER OF THE PEN!

Congratulations to 8th-graders Caylee Fitpatrick, Ava Cruse and Makenzie Lichty for qualifying for the Power of the Pen State Tournament! The three will compete Friday, May 13, 2022, at Otterbein University.

# LMS STUDENTS OF THE MONTH

Congratulations to our LM School April 2022 Students of the Month! We are proud of their accomplishments.

## GRADE 6

Diya Patel  
Sophia Balzer

## GRADE 7

Brooklynn Kohn  
Jacob Mansfield

## GRADE 8

Maddison Johnson  
Daniel Gottberg

# FUNDRAISING FESTIVITIES at LMS!

The middle school had not had a fundraiser in the last two years due to COVID 19. But this year , when fundraisers resumed, our students stepped up and broke records for their efforts. Mr. Kelly said, "The students sold more than I sold in 13 years!"

Students who had the most fundraising sales got to enjoy some time in the money machine!

**Top-selling fundraising students wait for  
a turn inside the MONEY MACHINE!**

# FUNDRAISING FUN IN THE MONEY MACHINE!

Students who had the most fundraising sales got to enjoy some time in the money machine!
