Students can do online donations and also through traditional methods of asking people for donations. Because of their dedication, we will be able to raise money for the American Heart Association. **All money is due back on Friday, March 3, 2017.** These students will receive prizes for their dedicated work and the school will get a \$100.00 American game certificate to purchase gym equipment. REMINDER FROM THE NURSE:

Parents, spring will be here very soon. If your child carries and Epi Pen or Inhaler with him/her during school, please make sure the medication is in their book bag and is not expired. The changing weather brings pollens & bees with it. Students who require these medications must have them accessible during school hours.

Thank you, Mrs. Harper/School Nurse

Student Council: Mrs. Rowe

The LIS Student Council consists of four 5th grade officers and two classroom representatives from each homeroom, grade 3-5. Our goal is to meet once a month to come up with ideas to raise money to help those in need, as well as promote school spirit and school wide activities. In November, our students had a canned food drive. The food was donated to families in our community. December is one of the busiest months with giving! We donated winter hats and gloves to give to students in our building so they could keep warm at recess and heading to and from the buses! In the Spring (weather permitting), the student council members will be having a “Clean Up” day outside. We will be picking up litter around the 3-12 complex in celebration of Earth Day. Also during the Spring, the student council members will choose a week for SPIRIT WEEK. We will encourage all 3-5 students to participate. The Student Council members are responsible, caring and hard-working! They are great role-models in our school!
