LaBrae Middle Schools February News

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

Punxsutawney Phil has seen his shadow and ran back down into his burrow. According to legend this means six more weeks of winter. I think all of us already suspected Phil would do this again. We'll get through it we always do.

The big item this month is parent-teacher conferences. Report cards went home with students on 1/19 giving all parents enough time to review student grades. Now it's time to schedule a conference for 2/15 to meet with your students' teachers. The middle school conferences are designed to meet with each teacher of your student's grade level. I think you'll find that when sitting down with all content at once patterns begin to emerge. Some patterns are good others not so good. I encourage every parent whether your students have straight A's or F's to make an appointment. It really is that important.

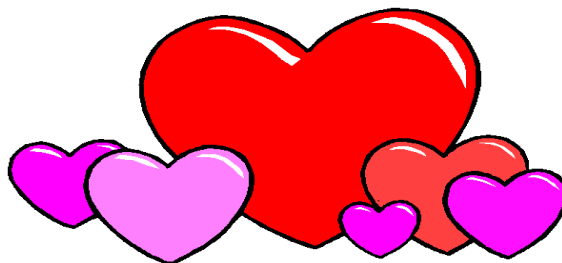

The middle school held a fundraiser kick-off on 1/30/18. We usually hold one fundraiser per calendar year. Student will be selling from Century Resources. If your able to purchase we thank you. All proceeds go directly into the building and used to purchase student oriented materials. In next month's newsletter I will release the 2018 testing schedule. I will also send a copy home with the students. There will no school 2/16-2/19 in observance of President's Day. Enjoy your last 6weeks of winter.

Mr. Martin Kelly, Principal

CUPBOARD IN THE MIDDLE

If you need food/snacks contact
Mrs. Adair our Middle School
Counselor.

Don't go hungry.

Students of the month
We are proud of all our
student's accomplishments.

6th grade

Makenna Leeworthy
