A MESSAGE FROM THE PRINCIPAL

Dear Parents / Guardians:

Testing materials will be arriving in about two weeks. The middle school is planning to start testing on April 23rd. I need students to be here and on time during testing. Students arriving after testing begins will not be allowed to test that day.

I need to share an issue going on involving items that are prohibited from school by board policy. There have been several I-Pods stolen in the last couple of months. Some have come up missing at school, others at the roller-rink, birthday parties and/or sleepovers. Sometimes I can help by locating an I-Pod in a locker, but most of the time I cannot. The district is not responsible for lost or stolen items that are prohibited by board policy.

Mr. Martin Kelly, Principal
