## MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

I would like to thank parents that were able to attend parent-teacher conferences last February 15th. We had a strong attendance throughout all grade levels 6th-8th. Parent-teacher conference nights are very meaningful for the parent, student, and staff. We do appreciate your efforts in getting here, it doesn't go unnoticed. Remember also that we can schedule a meeting with staff during school hours, if anyone might need that.

There are two assemblies scheduled for the month of March. The first assembly will occur on March 6th at 9:00 a.m. The speaker is Josh Drea. Josh has been at nearly 500 schools talking with 250,000 students. He was the featured speaker at the National Conference on Bullying last year and has made countless appearances on media circuits. The main message of his presentation will be the adverse effects of bullying. He will also discuss the responsibility that students have to represent themselves well in their interactions with peers.

The second assembly will be March 14th also at 9:00 a.m. The speaker will be Jolene Calderone. Jolene works for the Trumbull County Family Courts. Her message will be the legal ramifications of using social media to bully, threaten, taking inappropriate pictures, etc. Hopefully these two assemblies will impact the middle school students. While social media can be a wonderful thing and useful there is also a downside when students often times use to cause emotional harm. Parents be vigilant with your children on how they intent using their cell phone.

This year's testing schedule is completed. A hard copy will be sent home with students and also placed in next month's newsletter. A big shout-out to Ethan Davis and Grace Barnhart. Ethan was the spelling bee champion for the middle school with Grace Barnhart the runner-up. Ethan will be competed March 5th, at KSU Trumbull. Ethan is in 8th grade and Grace is in 7th. Enjoy your Easter.
