2012**

## A MESSAGE FROM THE PRINCIPAL

Dear Parents / Guardians:

The month of March is the longest month of the school year. Staff and students have been working hard on preparing our students for their state testing. The testing window for this year is April 23 to May 11. We are putting a huge emphasis on short answer and extended response questions. The final nine weeks begins March 26 with report cards going home on March 30th. During the writing of this newsletter, I received word of a shooting at Chardon High School. Let's keep this situation in our thoughts and prayers as this school system and their families attempt to move forward.

*Mr. Martin Kelly, Principal*

### REPORT CARDS:

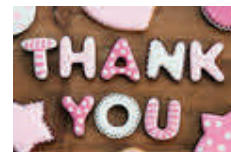

End of the third nine weeks will be March 23. Report cards will go home with students the following Friday, March 30.

### SPRING FUND RAISER:

LaBrae Middle School students are selling Cookie Dough and other items including kitchen essentials, chocolate, jewelry, garden stuff and magazines. Sale started February 21 and ends on March 12.

*Please support  
our school.*

### READ ACROSS AMERICA DAY:

Friday, March 2 is Read Across America Day. The LaBrae Middle School staff will be wearing shirts with a message and students will be participating in a Read-A-Shirt contest. The winner will receive a free yearbook and other great prizes.

### STUDENTS OF THE MONTH:

The following students have been selected as Students of the Month for February:

Allyson Spay  
Stephen Witherow  
Andrew Barnhart  
Haylie Kiser  
Jacob Sullivan  
Rayna Estes

Top of the  
morning

*The true measure of a person is not in  
dollars but in sense.*
