March 2013

MESSAGE FROM THE PRINCIPAL

Dear Parents/Guardians: We will be holding our State Wide Tornado Drill on March 6th at 9:50 a.m. The 3rd grading period will end March 22nd with report cards being sent home on the 28th. Students that are in danger of being retained will be notified in person at school, and a letter will be mailed home. The school has been monitoring student grades throughout the year, but the 3rd grading period is the tipping point for many students. OAA testing data does have an impact on students who may be retained. The problem is that this data does not arrive back at school until mid-June. OAA testing dates are 4/22-4/26. Again, I stress, stay on these students until May 28th and hopefully no-one will find themselves in this situation.

Mr. Martin Kelly, Principal

REPORT CARDS:

End of the third nine weeks will be March 22nd.
Report cards will be going home with students the following Thursday, March 28th.

SPRING FUNDRAISER:

LaBrae Middle School students are selling cookie dough and other items including kitchen essentials, chocolates, jewelry, garden items, and magazines. Sale started February 28th and ends on March 12th.

Please support our school.

NURSE NEWS:

Parents, spring is coming. Please remember if your child requires an Epi Pen or inhaler to make sure he /she has one that is **not expired & brings it to school every day**. These medications can be life saving should your child have a problem at school. If you have any questions regarding medication in school please email me at sharron.harper@neomin.org, or call me at the school during regular school hours. Thank you, Mrs. Harper/ School nurse
