MARCH 2015

LaBrae Middle Schools March News

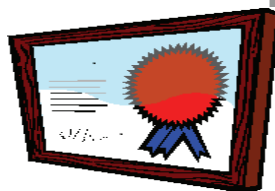

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians: The middle school students are ending their performance based assessments from both PARCC and AIR. The end of the year testing will begin on April 13th and run through May 15th. Due to the amount of calamity days the district has had this year, there will be an additional 3 days added to our school year. The students last day of school for the 2014-15 school year will now be June 2nd. If there are additional calamity days, they will also be added onto the June 2nd date. We had a great turn-out for parent-teacher conferences in February. I thank you again for your attendance, it does make a difference. The 3rd grading period will be ending March 27th with students being dismissed at noon. Letters were recently mailed home to parents of students that show poor or failing marks. A list of students in academic peril will be forthcoming following the release of their report cards. These students/parents will be issued a letter stating their deficiencies and the course they need to take to correct them. Let's hope that March brings us a little better weather.

Mr. Martin Kelly, Principal
