March 2016

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

I want to thank all of the parents that attended parent-teacher conference night. Attending conferences really makes a difference in your child's education. I realize the date was changed due to the winter storm, and possibly some could not attend the new time. Parents are welcome to meet with staff daily, but through appointment. On April 4th, the state testing window opens. I will be sending home with our students our testing dates for grades 6-8. There are strict guidelines that our district must adhere to. Attendance is HUGE!! I need the students here, rested, and fed for maximum success. As usual, I need your help and support, and I appreciate your efforts. The district had an in-service for staff scheduled on February 16th. Due to the calamity day we rescheduled for March 14th. There will be an early release on the 18th. Students will be dismissed at noon due to the end of the grading period. Easter break will begin on March 25th with students returning to school on March 30th. If I don't see you, have a happy Easter. That's all I have for now.

Mr. Martin Kelly, Principal

LaBrae Middle Schools March News
