LaBrae Middle Schools March News

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

The 3rd nine weeks will be ending on March 17th with report cards going home with students on March 24th. Students that are in academic distress will be met with and a letter will be mailed home to the parents. It is vitally important that parents review the report card data and contact the school if you receive an intent to fail letter. I would like to thank those of you that participated in our fundraiser. Purchased items will arrive at the school on March 8th sometime in the afternoon and will be distributed to the students who sold the items. Thank you again.

On March 13th the state testing window opens for AIR testing. The middle school will be holding ELA testing from March 27th-April 4th. A detailed schedule will be sent home with students closer to the actual first testing day. I need all students here rested, fed, and ready to go. Everything that is taught through the school year is tested during these times.

Parent-teacher conferences went for the middle school. Just a reminder that it doesn't have to be parent-teacher conference day to meet with the staff. We can arrange a meeting with the staff with advance notice. If anyone has any questions feel free to contact me.

Thank you again,

Mr. Martin Kelly, Principal

Students of the Month

The following students have been selected as students of the month.

We are proud of all our student's accomplishments.

6th grade

Cassady Prokop
William Alexander Salsgiver

7th grade

Kathryn Johnson
