MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

I would like to thank all of the parents that were able to attend parent-teacher conferences on February 14th. Parental attendance has a huge impact on student performance. I would like to remind all parents that you can call to schedule a conference with your child's teacher at any time during the school year. Every teacher in the middle school has a common prep time that can be used for conference purposes.

In the February newsletter I sent out the 2019 testing schedule. Students will also receive a hard copy to take home in early April. All testing must be completed within our testing windows. Our testing window is inclusive of make-up days. The state is very strict with the testing rules and the testing windows. I need to repeat myself the importance of attendance. I need all students here on time, fed, and ready to start by 8:00 a.m. Students arriving after testing begins will have to sit out that particular session and go into a make-up session. I really need your help with attendance.

I have a couple of middle school updates to share. Our 7th & 8th grade prep-bowl team competed and placed 1st in the county defeating 20 other districts. Our 6th grade prep-bowl team placed 4th in the county. Mr. Hinzman and Mr. Schuster headed our prep-bowl teams. The 7th & 8th grade Power of the Pen competed at Malone University on March 2nd. Mrs. Pleacher heads our Power of the Pen team.

I think that is all for now.
