A MESSAGE FROM THE PRINCIPAL

Dear Parents/Guardians:

With Spring often comes the dreaded spring fever epidemic. I will be encouraging students to finish strong and make this last marking period the best of them all. Please encourage the same at home. We often notice that with the start of Spring Sports and other activities that school starts to take a back seat. However, we are not finished yet! We must continue to let them know that we are still working together on their behalf in a home –school partnership to ensure that they stay “on track” with their education. In addition to the 4th grading period curriculum, we have many things planned for the last few weeks of school. Following the LaBrae Code of Conduct is a **MUST** in order to take advantage of all that is coming up. Students unable to follow the LaBrae Code of Conduct may not be able to participate in some or all of the planned activities. Encourage your students and let them know that their choices really do make a difference!

I hope you are able to take advantage of the improving weather and spend some time outside with your family. It is so encouraging to have the sun shining again! And, as always, if you have any questions or concerns, please feel free to contact me.

Sincerely,

Milajeane Harkabus
