MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

The middle school will continue testing until May 10th. The ELA testing window closed on April 30th and the math/science window will close on May 14th. Grades 6-8th will be taking their math assessment May 3-5th. The 8th grade science test will take place on May 10th. The rest of the week will be used for make-up testing.

The last two weeks of May will involve the 6th & 7th grade students attending Camp Sheldon located on the bank of Lake Erie. The district has been holding this camping experience for 60 plus years. Due to the shutdown of the schools this year's 7th grade was not able to attend camp. This year's 6th grade will leave for camp on May 18th and return on May 21st in the afternoon. This year's 7th grade will leave on May 24th and return on the 27th in the afternoon.

Please pay attention to any/all correspondence from the district throughout the summer. The superintendents office is currently working on a program to offer student the ability to return to school early for tutoring purposes. This information is still being developed at this time.

Enjoy your summer!

Mr. Martin Kelly, Principal
