## Newsletter

May 2014

### MESSAGE FROM THE PRINCIPAL

Dear Parents/Guardians: This is the final newsletter for the 2013-14 school year. OAA materials are being prepared to be sent and scored. Testing results generally return to the district around the middle of June. Individual student results are returned to students during the first couple of weeks of the next school year depending on how soon the materials are returned. Final report cards for this school year will be available for pick-up on the following dates 6/5-6/9 from 9:00-11:30 and 12:30-2:00. No report cards will be mailed or allowed to be picked up if fees are due. After 6/9 all report cards and fees can be paid at the Treasurer's Office. If you wish to have your child's report card mailed home, please send a self-address stamped envelope with your child's name in the bottom corner before the last day of school. Every year we have a handful of students who are in academic trouble. These students have been met with and a letter of intent to fail has been mailed home to inform parents. I stress that there is still time and opportunity for students to improve academically. The student needs to respond and take advantage of this final opportunity. If a student does not respond, summer school information will be provided for them. I hope everyone has a safe summer, and I will see everyone when they return.

*Mr. Martin Kelly, Principal*
