MESSAGE FROM THE PRINCIPAL

It is hard to believe that we are already at the end of the first grading period. By now the students have settled into their classroom and school routines. However, with a new school year comes many necessary changes and new procedures. Should you have any questions regarding school policy, procedures or need phone numbers, you can refer to the Intermediate School Student/Parent Handbook. As always, if you do not find the answer to your questions, feel free to give us a call in the office between 8:30 a.m. and 3:30 p.m.

As partners in the education of your child, I would also like to remind you to continue to check your child's star binder each evening for homework assignments and messages from teachers.

Your cooperation and assistance in teaming with us to help your child to meet their fullest potential is greatly appreciated.

Sincerely,

Milajeau Harkabus, Principal
