## LaBrae Middle Schools November News

### MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians: Report cards were sent home October 30th. This is the single most important document sent home during the school year. Take time with your child and review their grades. This is the perfect time for parents to set up a meeting for parent-teacher conferences. Conferences will be held November 19th and 24th from 3:30-7:00. Parents should/may set up a conference regardless of the student's grades by calling the secretary of the middle school. The middle school staff meet as a whole grade level with parents to discuss how their students are performing. Parents that show up for conferences make a marked difference in their student's future performance. There will be a holiday fundraiser starting late in the month. All proceeds go directly back into the classroom usually in the form of technology. Students will be called down to the auditorium and will be bringing home information concerning the fundraiser. There will be no school November 25-29 due to Thanksgiving Day holiday. School will resume November 30th. This year the district has put into place a 2 hour delay schedule for snow days. The 2 hour delay schedule will be sent home with students and posted on our Viking App within the month, watch for it. Have a safe holiday, make an appointment for conference, and I shall see you here.

*Mr. Martin Kelly, Principal*
