LaBrae Middle Schools November News

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

Report cards went home with both co-horts by Friday, November 6th. Please take some time to review your child's report card and contact the teacher if you have concerns or questions you need answered. I will also be calling some students down that have received poor marks. The middle school teaching staff is well aware of the trying times we are going through. We have and will continue to work with students and parents concerning their education. I would also like to thank those parents that were able to call in for parent-teacher conferences. That 15 minute time slot that makes a lot of difference to many of our students,

The holiday season is coming soon and so is our Ohio winter weather. Please pay attention to our website or local news for any school modifications. I would also like to remind parents that our students are masked and socially distanced while at school. These are multiple hand sanitizing stations in front of every classroom that does not have a sink. Each student wipes down the desk they sit in each period before leaving for the next class. The classrooms and surface areas that are high traffic are also sprayed/cleaned daily. If when a student has a positive COVID test that information is given to the health department immediately. We maintain seating charts for every student in every class. The health department can determine who would need quarantined. We are not only working to educate your child but to keep them safe too.

Mr. Martin Kelly, Principal

LIBRARY CORNER

A big "thank you" goes out to all who visited our Scholastic Online Book Fair, and especially to those individuals who purchased items from this year's fair. Because of your purchases, we will be able to add several new books to our school library collection. Keep reading!

Students of the month. We are proud of all our student's accomplishments.

6th

Brielle Stout
Seth Howell

7th

Shelby Bragg
Brett Marsh

8th

Susan Oschenbine
Kyle Pierce
