## LaBrae Middle Schools October News

### MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

On Thursday, October 11th we will be holding our 1st Parent Teacher Conference night of this school year. Interims went home with the students on September 26th, so that parents can be made aware of where their child is at. I want to say that every parent should make the effort to attend P.T.C. If your child has straight A's or F's you need to show up for your child. If students notice that their parents are involved often times students become more involved. We host two PTC nights a school year, please make an effort to attend at least one if not both, it matters!

I would also like to thank the community for their continued support of our 6th grade mum sale. All proceeds from the sale benefit the 6th grade camp experience at the end of the school year. This year the sale netted about \$2,500.00 that will help offset the cost of the camp. I would also like to say that during our recent tornado live drill on 9/20 our students did very well. All students were in the proper place and position when instructed to. The students were held over an hour until the weather pattern moved on. The students responded well to an actual real-life drill.

Just a reminder that there will be no school on October 12th. There will be an early release at noon on 10/11 and 10/26. Report cards will go home with the students on 11/2/18.
