LaBrae Middle Schools October News

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

Interims were sent home with students on September 30th. This means that we are halfway through the first grading period. On October 7th from 2-9pm the district will hold its 1st parent-teacher conference night. Check your child's interim and schedule a conference regardless of the interim results. Scheduling conferences tells your child that you are following their progress and staying in touch with their teachers. This has an impact on all students. I recently sent out through Final Forms an invitation to join your child Google Classroom site. I received about 90 responses which is roughly 1/3 of the student population in the middle school. Parents requesting a conference can call the middle school and schedule a 15 minute conference. Every core teacher will be at that conference unless an illness arrives.

The sixth grade mum sale which supports 6th grade camp was once again successful. The 6th grade sold 1,186 mums which netted the camp fund \$4,100.00. The camp site itself charges \$6,700.00 per year to attend. The \$6,700.00 does not include speakers, activities, and other camp supplies. We would like to thank all of you mum buyers for continuing to support the 6th grade camp.

There are some adjustments to the October school schedule. There are two early release dismissals in October. October 7th students will be dismissed at noon for parent-teacher conferences, and October 29th released at noon, last day of the 1st nine weeks. There will be no school on October 8th. Questions, concerns call/email at martin.kelly@labrae.school.
