

Newsletter September 2018

MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

I would like to welcome everyone back for the 2018-19 school year. I hope everyone enjoyed their summer months and are ready to begin a new school year.

The LaBrae B.O.E. has hired a School Resource Officer (SRO) for the 2018-19 school year. The officer's name is Dan Barb and works with the WTPD. Mr. Barb will work at the complex during every school day and will return to the force during the summer months. He is blending in well with our students. If anyone has any questions, feel free to call the school.

The 6th grade annual mum sale ended on September 4th this year. The 6th grade camping staff has been selling mums for years to help offset camping costs during May. We would like to thank those parents that help support our camping program through their purchase of mums.

On August 27th the middle school held their annual meet the teacher night. As usual it was well attended and mainly by the 6th grade parents. The students are all settling in nicely and in another week it's like they never left. Every year the middle school we lose our 8th grade and gain a new 6th grade. If you have a concern, contact your child's teacher first and if you continue to have questions contact me. Normally the classrooms teachers can handle the concerns.

There will be no school for students on 9/17. 7th grade students need a T-Dap booster this shot is documented by the school nurse with a report being sent to the Ohio Department of Health.

One last item that I would like to address and that is Final Forms. Student medical forms, lunch forms, contact information, and athletic forms are all done on-line now. Parents I need you to go to the LaBrae website and click on the home page. Once there you will see Student Drop Off Routes, Pay Schools Central, Quick Apps, continue scrolling until you see Final Forms. Click on Final Forms Registration and begin the process, there is also a Guide for Parents. It's very simple and easy to complete, if you get stuck ask your student for help, if you still stuck contact the school. As of this newsletter, I have 65% completed but I have 35% that have not started the process. It really isn't difficult. Any questions call me.

Mr. Martin Kelly, Principal

LaBrae Middle Schools September News

Students of the month for September will be announced in October. We are proud of all our student's accomplishments.

Important Dates

Sept.17.....	Staff prof. day no school
