## LaBrae Middle Schools September News

### MESSAGE FROM THE PRINCIPAL

Dear Parent/Guardians:

We are officially back to the 2019-20 school year. I would like to thank all the parents that showed up for meet the teacher night on August 26th. I would also like to thank those parents that have supported this year's mum sale. The 6th grade camp depends on their annual mum sale to help off set the cost of camp in May.

Parents please pay attention to our school calendar for upcoming events. These events include all sporting events, interims, parent-teacher conferences , etc. I would hope that all parents would attend our parent-teacher conference nights. The first is October 10th. Like-wise I encourage parents to setup some form of communication with your child's classroom teachers. Communication is essential for you, your child, and the teacher. Every teacher has a prep period in which they can entertain any concerns that you may have.

Lastly, I will submit a monthly newsletter which will be posted early in the month. As the school year progresses, important dates/events will be included. If you have any concerns, feel free to call me with these concerns. I do spend a great deal of time with the students, which helps to maintain a good relationship.

*Mr. Martin Kelly, Principal*

Students of the month for September will be announced in October. We are proud of all our student's accomplishments.
