## **Viking Nation Do's and Don'ts**

**Do** use Viking Nation to keep up with all the happenings at school, be it academics, athletics, or

**Don't** forget that Viking Nation is an enhanceive extension of your academic career, not a personal social media outlet (post smart!).

**Do** share photos and statuses about the great things happening in your classes/sports activities!

**Don't** share photos of others without their permission.

**Do** use Viking Nation as a tool of your class; upload homework, watch class videos, provide feedback on projects, collaborate on the go!

**Don't** post anything (documents, videos, images, etc) that is not appropriate for the community

**Do** actively engage in the conversations taking place online, be open-minded, and use Viking Nation as a resource for positive engagement
